Independent Auditor's Report

**The Honorable Mayor and the Members of the City Council
City of Torrance, California**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the Measure SST Fund of the City of Torrance, California (the City), as of and for the year ended June 30, 2024, and the related notes to the basic fund financial statements, which collectively comprise Measure SST Fund's basic fund financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Measure SST Fund of the City of Torrance, California as of June 30, 2024, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 2, the financial statements present only the Measure SST Fund of the City of Torrance, California and do not purport to, and do not, present fairly the financial position of the City as of June 30, 2024, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Management has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic fund financial statements. Such missing information, although not a part of the basic fund financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic fund financial statements in an appropriate operational, economic or historical context. Our opinion on the Measure SST Fund's basic fund financial statements is not affected by this missing information.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 10, 2024 on our consideration of the City's internal control over the Measure SST Fund's financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over Measure SST Fund's financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City's internal control over the Measure SST Fund's financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over the Measure SST Fund's financial reporting and compliance.

Vasquez & Company LLP

**Glendale, California
December 10, 2024**

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

**The Honorable Mayor and the Members of the City Council
City of Torrance, California**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Measure SST Fund of the City of Torrance, California (the City) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Measure SST Fund's basic fund financial statements, and have issued our report thereon dated December 10, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of Measure SST Fund's financial statements, we considered the City's internal control over Measure SST Fund's financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the Measure SST Fund's financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Measure SST Fund's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Measure SST Fund of the City of Torrance, California's financial statements are free from material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and applicable provisions of the City's Measure SST, that was approved by the people of the City at a general election held on June 7, 2022, noncompliance with which could have a direct and material effect on the Measure SST Fund's financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Measure SST Fund's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Measure SST Fund's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

NOTE 1 GENERAL

On June 7, 2022, the people of the City of Torrance, California (City) voted to approve a ballot measure, known as Measure SST, imposing a half percent (0.50%) transactions and use tax to fund general municipal services to be administered by the California Department of Tax and Fee Administration. Funds from the Measure SST shall be used to maintain city services such as fire/paramedic/public safety/9-11 response, safe schools; protect local drinking water sources/coastal waters from pollution; keep parks/public areas safe/clean; repair streets/potholes; prevent thefts/property crime; maintain senior services; and address homelessness.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying fund financial statements for the Measure SST Fund of the City, have been prepared on the modified-accrual basis of accounting. The Measure SST Fund is recorded in a separate fund within the General Fund of the City. Revenues are recognized when they become "susceptible to accrual," that is, measurable and available to finance expenditures of the current period. Expenditures are recorded when the liability is incurred.

Measurement Focus

Governmental funds are accounted for on spending or "financial flow" measurement focus. This means that generally only current assets and current liabilities are included on their balance sheet. Statement of revenues, expenditures, and changes in fund balance for governmental funds generally present increases (revenues and other financing sources) and decreases (expenditures and other financial uses) in net current assets.

Fund Balance Reporting

The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity with a self-balancing set of accounts. Monies received under the Measure SST Fund are recorded in a separate fund within the General Fund, the Measure SST Fund, that is used to account for the proceeds of Measure SST tax. Measure SST sales tax proceeds should be used in funding the general municipal services of the City including public safety, community and social services, public works and administration, and only to the benefit of the community of the City of Torrance. The accompanying financial statements reflect only the financial position and results of operations of the Measure SST Fund, and do not purport to, and do not present the financial position and results of the operations of the City nor the City as a whole in conformity with accounting principles generally accepted in the United States of America.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Budgetary Principles

The City uses the modified accrual plus encumbrances as its budgetary basis of accounting. The City is required by its Charter to adopt an annual budget. On or before the first day of June each year, the City Manager shall submit to the City Council a proposed budget for all departments. The said budget shall include estimates for all revenues and expenditures for the ensuing year. From the effective date of the budget, the amounts stated therein, as proposed expenditures become appropriations to various City departments. The budget for the Measure SST Fund is included in the General Fund. Below is a comparison between the budget and actual revenues and expenditures of the Measure SST Fund during the year ended June 30, 2024.

	Budget	Actual	Variance with Budget
REVENUES			
Sales and use taxes	\$ 23,002,688	\$ 25,712,422	\$ 2,709,734
Investment income (loss)	25,000	(135,171)	(160,171)
Total revenues	23,027,688	25,577,251	2,549,563
EXPENDITURES			
Computer software	520,000	343,394	176,606
Capital outlay	110,000	109,028	972
Professional services and contracts	339,500	52,658	286,842
Materials and supplies	855,500	9,793	845,707
Total expenditures	1,825,000	514,873	1,310,127
Excess revenues over expenditures	21,202,688	25,062,378	3,859,690
OTHER FINANCING USE			
Transfer out	(21,202,688)	(20,952,688)	250,000
Net change in fund balance	-	4,109,690	4,109,690
Fund balance, beginning of year	514,074	514,074	-
Fund balance, end of year	\$ 514,074	\$ 4,623,764	\$ 4,109,690

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

New Accounting Pronouncements

The Governmental Accounting Standards Board (GASB) releases new accounting and financial reporting standards which may have a significant impact on the Measure SST Fund's financial reporting process.

Recently Adopted

GASB 100, "Accounting Changes and Error Corrections – an amendment of GASB Statement No. 62", effective for fiscal years beginning after June 30, 2023, and all reporting periods thereafter. Earlier application is encouraged. The primary objective of this statement is to enhance accounting and financial reporting requirements for accounting changes and error corrections to provide more understandable, reliable, relevant, consistent, and comparable information for making decisions or assessing accountability. The implementation of this standard did not have an impact on the Measure SST Fund's financial statements.

NOTE 3 CASH AND INVESTMENTS

Unspent funds received for the Measure SST Fund are pooled with the City's other cash and investments. The Measure SST Fund's share of the interest earned from the cash and investment pool is allocated on a monthly basis based on each fund's respective average monthly cash balance. Detailed information regarding the City's pooled cash and investments program can be found in the City's Annual Comprehensive Financial Report. Such report is available from the City of Torrance Department of Finance, 3031 Torrance Blvd., Torrance, California 90503.

NOTE 4 TRANSFER OUT

Presented below is the list of transactions showing how the funds transferred to the General Fund during the fiscal year ended June 30, 2024 were spent.

Public safety salaries and benefits	\$	10,830,265
General Fund reserves		4,802,423
California Employers' Pension Prefunding Trust (CEPPT) fund contributions		2,500,000
Capital improvement		1,820,000
Rebuild unassigned fund balance of the General Fund		1,000,000
	\$	<u>20,952,688</u>

NOTE 5 SUBSEQUENT EVENTS

The City and Measure SST Fund has evaluated and determined that no subsequent events occurred through December 10, 2024, the date on which the financial statements were available to be issued, that require recognition or disclosure in the financial statements.
