

BERT

BUSINESS EMERGENCY RESPONSE TEAM

The Torrance Fire Department's BERT (Business Emergency Response Team) training is an invaluable resource for businesses within the City of Torrance.

This program is designed to equip businesses with the knowledge and skills necessary to effectively respond to emergencies. The training encompasses crucial aspects of disaster preparedness, ensuring that businesses can develop plans tailored to their specific needs.

Additionally, participants gain hands-on experience in using fire extinguishers, a fundamental skill for mitigating small fires before they escalate.
